At the outset, the undersigned thanks the Examiner for the courtesies extended during the interview conducted on January 25, 2006. Particularly, the undersigned thanks the Examiner for searching the amended SEQ ID NO:2, which Applicant previously understood to be the Examiner's intention following entry of that amendment and filing of Applicant's RCE.

The Notice of Allowability dated February 8, 2006, has been received. Applicant notes with appreciation the indication in the Notice of Allowability that claims 30, 37-57 and 59-64 were allowed. The Listing of Claims has been amended to reflect the Examiner's amendments to claims 30, 57 and 61. The applicant has also amended claim 41 by deleting "tachyarrhythmia" in line 3 and replacing it with "tachyarrhythmia." An inadvertent typographical error was made, and no new matter has been added. Thus, entry of the amendment is respectfully requested.

To clarify the record, the above-identified amendments were made solely to improve the form, readability and clarity of the claims, and were not made to distinguish the claimed subject matter over any prior art documents.
